Sir:

Mitralign, Inc. through the undersigned hereby revokes all previous powers of attorney in the above-referenced patent application and appoints the practitioners associated with the customer number 26,875, as its attorneys or agents, with full power of substitute and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

The assignee of the entire right, title and interest in the patent application identified above by virtue of an assignment by the inventors and the prior assignee established as follows:

1. An assignment from the inventor(s) to DHC Systems, Inc. was recorded in the U.S. Patent and Trademark Office on July 2, 2004 at Reel 014813, Frame 0513; and
2. An assignment from DHC Systems, Inc. to Mitralign, Inc. was recorded in the U.S. Patent and Trademark Office on July 13, 2004 at Reel 014845, Frame 0167.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
